SATURDAY, OCTOBER 9, 1920

FOR PRESIDENT—
WARREN C. HARDING

FOR VICE-PRESIDENT—
CALVIN COOLIDGE

FOR UNITED STATES SENATOR
SAMUEL M. SHORTRIDGE

FOR CONGRESS 8th DISTRICT
ARTHUR M. FREE

SAMUEL M. SHORTRIDGE
Candidate for United States Senator

SAMUEL M. SHORTRIDGE
VISITED REDWOOD CITY
WEDNESDAY AFTERNOON

Samuel M. Shortridge had a triumphal march through San Mateo county on Wednesday. He was met at Daly City by John MacBain, the chairman of the county committee, Horace W. Amphlett and others of the committee.

Mr. Shortridge talked to large crowds at Colma, Daly City, South San Francisco and San Bruno. He spoke to over 500 workmen at the railroad shops at Visitation. He spoke to the inmates of the base hospital at Menlo Park. There his eloquent words of thanks for the great service they had rendered the country found a deep response from the ex-soldiers. Arthur M. Free accompanied Mr. Shortridge making short addresses.

These two candidates were hailed with much acclaim wherever they went showing that the people are going to vote for them in November.

The day's labor was crowned by a big meeting at San Mateo that evening. The high school auditorium was crowded almost to the doors.

John MacBain introduced the chairman of the evening, W. H. Crocker, who delivered a short address. He said that the democrats in California had given up the fight that Harding and Coolidge would carry the state by 300,000. Mr. Free was then introduced. He made a splendid address, pledging himself to carry out every plank of the Republican platform. Mr. Free was heartily applauded when he spoke of the Japanese menace in California.

Mr. Shortridge spoke for an hour and forty minutes holding his big audience spell-bound by his eloquence. Mr. Shortridge's speech was perhaps the best political address ever heard in the county. He flayed the Wilson policies, paid his respects to democratic senators and in beautiful phrases paid a neat tribute to the founders of the republic. Shortridge's words of opposition to the League of Nations fell on a responsive audience. He also outlined his stand for a protective tariff and for legislation against Japanese immigration.

Samuel M. Shortridge should receive an overwhelming vote in his home county. Make it unanimous.

ARTHUR M. FREE DESERVES SUPPORT OF ALL REPUBLICANS

Arthur M. Free, the Republican candidate for congress in this district is a deserving young man who should receive the full support of the Republican party in San Mateo county.

His policies are the policies of Harding and Coolidge and S. M. Shortridge. Mr. Free is eloquent and able young man. He will be a credit to the district as congressman. Let San Mateo county roll up a big vote for him. As a Republican with a Republican administration he will be in a position to do much for his district. A democrat can do nothing. Vote for Free.

CALIFORNIA LEADERS GIVE REASONS FOR ELECTION OF SAMUEL M. SHORTRIDGE

GOVERNOR WILLIAM D. STEPHENS—"Never more than in the next four years will California's needs require a national government at Washington whose history, whose underlying beliefs, whose sympathy and understanding, whose administrative and constructive ability and whose purpose and intention is such as will not only serve best the Union as a whole, but will particularly help and assist us in the solution of the problems which now confront us."

"California is a protective tariff state. Under a protective tariff our farmers, manufacturers, laborers, merchants, all our people, will have work, will be prosperous and contented. Under free trade the reverse will be true."

"The Republican party believes in a protective tariff policy. The democratic party does not. Consequently it is the duty of California to do its full share in changing the national administration from a low tariff, no tariff administration to a protective tariff administration."

"And that we may get all the good possible out of such a change we must send to the Senate of the United States another Republican Senator in the person of Samuel M. Shortridge, who is well qualified to advocate the interests of California at Washington, and also must we increase our Republican membership in the House of Representatives from six to nine."

CONGRESSMAN JOHN I. NOLAN—"Samuel M. Shortridge should receive the support of every friend of the cause of social and industrial justice in the State of California."

"With the election of a Republican President assured, Mr. Shortridge should be elected to the Senate to support Senator Johnson in his fight against the League of Nations and for progressive legislation such as has been written on the statute books of the State of California under Senator Johnson's administration."

"Mr. Shortridge has pledged himself to the people of this State to follow this course and it is up to those interested in this great humanitarian movement to rally to his support in November."

HIRAM W. JOHNSON—"The election of Senator Harding is assured. But the big issue in this campaign makes only second in importance to the success of our presidential candidate the election of United States Senators. In the forefront of the fight, valiantly battling for Americanism, from the inception of the contest, has stood the Republican nominee for United States Senator, Hon. Samuel M. Shortridge."

"Mr. Shortridge possesses an ability second to none; he has the wisdom of statesmanship. When it was either profitable nor unpopular with rare courage, he fought the good fight upon this campaign's dominant issue, and endeared himself to those who in the recent months of stress have ever had first in mind our own Republic."

"In fair upstanding fight, he won his nomination. He is entitled to the support of all Republicans, as he has earned the gratitude of all Americans."

"Our success this year will be incomplete unless we send to the Senate Samuel M. Shortridge."

SENATOR IRVING L. LENROOT, OF WISCONSIN—"I trust that the people of California will appreciate the necessity of electing Samuel M. Shortridge to the Senate, as well as carrying the state for Harding and Coolidge. The Republican party will not be able to serve the nation as it should unless it shall have control of both houses of Congress."

"A democratic majority in the Senate can easily defeat necessary legislation in the interests of the people. A democratic majority in the Senate means the chairmanship of most of the important committees to Southern reactionary democratic senators."

"I am a Progressive Republican and I earnestly advocate the election of Senator Shortridge because I believe that true progress in the nation can best be secured in this way."

Senator Phelan's election might mean a democratic majority in the Senate."

VOTE THE STRAIGHT TICKET

Republicans are called upon to vote the ticket straight. Harding and Coolidge, Shortridge and Free. Place the control of the government in the hands of the Republican party and make that party responsible to the people.

SLY JIM

An example of Governor Cox's campaign chicanery, to say nothing of his insulting attitude toward his country, is brought to light by the New York Sun's article written by its correspondent traveling with the Cox entourage.

At Salt Lake, Utah, after characterizing the Republican slogan, "America First," as synonymous with the Prussian "Deutschland über alles," Mr. Cox handed out to the newspaper correspondents "as a stenographic report of the incident" the speech with these words added: "America first in the progress of the world; America the leader in the readjustment now at hand. What sort of America first could you have with Mexico, Turkey and Russia as our associates as proposed by the reactionary candidate?"

Mr. Cox's soap-box oratory keeps him pretty busy amplifying and correcting.

R. I. P.

We still hear of the "active part" the President is to take in the campaign. Activity is something which Mr. Wilson has not indulged in for a year. His nearest approach to action was when he entered his carriage unassisted, after an inclined runway had been built from the White House entrance to the level of the vehicle's step. Why continue the ghastly farce longer. Everybody knows Mr. Wilson is practically an invalid, able to give little attention to affairs of state, or receive citizens who wish to discuss national business with him. Nobody will see him during the campaign, unless it be to glimpse him reclining in his automobile as he takes his rare rides about Washington. In decency he ought to be allowed to rest in peace, and not be referred to every day as about to take an active part in the campaign.

Harding and Coolidge will carry California by 200,000. Let the majority of Samuel M. Shortridge be even more.

BAIL BOND REDUCED

Attorney Kenneth M. Green on Thursday asked Judge Buck to reduce the bail of his client, Cleo Tevis, from \$1500 to \$500. The request was granted, the district attorney agreeing to the reduction, believing the case against the accused was not very strong. Miss Tevis is accused of having some connection with the alleged crime of Dr. Hickok, charged with malpractice at Salada. He is alleged to have performed an illegal operation at the "Castle" at Salada some time ago. Miss Tevis was a nurse at the place.

The board of supervisors met in regular session Monday, October 4, 1920, at 10 a. m.

Attorney A. H. Reddington of Hillsborough appeared before the board and presented the proceedings relative to a petition filed with the trustees of the Town of Hillsborough asking for the annexation of certain unincorporated territory to the said town, the territory in question lying just north of Hillsborough and consisting of about three acres of territory.

A resolution fixing Monday, October 18, 1920, as the time for hearing the above petition, was adopted by the board, on motion of Mrs. Brown, seconded by Thompson.

Chairman MacBain addressed the board relative to the necessity of some person being appointed to look after the affairs of the Fourth township during the illness of Supervisor Francis.

On motion of Mrs. Brown, seconded by Hickey, Supervisor Thompson of the Fifth township was named to take care of the district.

A communication was read from Justice of the Peace S. J. Fisher of San Mateo informing the board of the recent arrest of a truck owner named E. T. Peterson by Traffic Officer Dalzel for violating Ordinance No. 307, relative to the loads allowed to be carried on trucks over the mountain roads of the county. Fisher stated that Peterson informed him that he had been given permission to exceed the limit by two members of the board, and the case in the justice court was being held up pending Peterson's appearance in the matter before the supervisors at this meeting.

On motion of Hickey, seconded by Thompson, Mrs. Nash, the clerk, was instructed to answer the communication and inform Judge Fisher that no action had been taken to repeal or change the ordinance in any way and that the traffic officers of the county have been instructed to rigidly enforce the ordinance.

Harry Pockham addressed the board relative to the above ordinance and suggested that it be amended relative to the tonnage allowed to be carried, stating that many of the truck drivers are carrying greater loads on their trailers than they are on the trucks.

To this, Chairman MacBain replied that the board was about to instruct District Attorney Swart to amend the ordinance, so as to remedy this situation.

Supervisor Hickey suggested that the board might consider the raising of the maximum of loads for the road between Halfmoon Bay and San Mateo, stating that he thought this thoroughfare could stand heavier loads on account of the greater part of it being constructed with a concrete base.

Chairman MacBain said he would not vote to raise the maximum under any consideration.

District Attorney Swart addressed the board in the matter and stated that at the recent convention of the California District Attorneys' Association, this vehicle question was given a great deal of attention. The San Mateo county ordinance, he believed, was the strictest one in the state.

Following further discussion in the matter, it was ordered, on motion of Mrs. Brown, seconded by Hickey, that District Attorney Swart be instructed to amend the ordinance relative to the trailers only and that County Engineer Kneese be instructed to furnish him with whatever facts or data that might be needed.

Supervisor Thompson addressed the board and stated that since the suspension of the Ocean Shore railroad, the farmers of his district were depending upon the Standard Oil Company to bring in their fuel oil supply in their trucks. Recently the company's truck was stopped, he said, by Traffic Officer Fred Vallejo, Vellejo, who was present at the meeting, said he acted upon orders given sometime ago by Supervisor Francis of Halfmoon Bay not to allow heavy traffic over the highway leading from Halfmoon Bay to Tunitas, which was in bad condition.

Supervisor Thompson moved that the Standard Oil Company be given permission to haul gasoline and oil over the county road from San Mateo to Halfmoon Bay in trucks, the total weight of truck and load, he said, being about ten tons, in order to supply the needs of the people of the lower end of the coastside, the supply being conveyed from Halfmoon Bay to the consumers in smaller trucks. There was no second to the motion and it was declared lost.

Tax Collector A. McSweeney addressed a communication to the board requesting the usual permission to collect county taxes outside of his office. The request was granted on motion of Mrs. Brown, seconded by Hickey.

W. H. Toepke, architect for the new San Mateo county hospital to be erected at Beresford, submitted the plans for the building, which included twenty-eight sheets of drawings.

Mrs. Elsie S. McGinn, member of the city board of trustees of San Mateo, addressed the board in refer-

ence to the matter and stated that San Mateo was very much interested in the proposed ordinance, and that if the supervisors selected Dr. McLean as the county inspector, San Mateo would be willing to give him up as the city inspector, and would be willing to contribute the sum of \$60 towards his compensation until provision is made in the next tax levy for the county to meet the entire expense.

After fixing the inspectors salary and arranging that he collect the fees and turn the same over to the county treasurer, the board, on motion of Mrs. Brown, seconded by Hickey, adopted the ordinance, with the understanding that the district attorney would add the supplemental features covering the above.

On motion of Mrs. Brown, seconded by Hickey, Dr. McLean was appointed the inspector under the ordinance and his salary was fixed at \$225 a month, he to pay his own traveling and other expenses.

A communication was received from County Auditor J. J. Shields asking for an appropriation of \$400 for compiling and printing the annual statistical report of the county for the fiscal year. The request was granted, on motion of Thompson, seconded by Mrs. Brown.

John MacBain addressed the board relative to the condition of the septic tank at the farm, and upon his recommendation, and on motion of Thompson, seconded by Hickey, it was ordered that Harry B. Morey of Menlo Park inspect the tank and make whatever repairs are found necessary.

This being the time for opening the bids for furnishing electricity for the Colma Lighting district and there being only one bid submitted, that of the Pacific Gas and Electric company, the contract was let to that concern, on motion of Hickey, seconded by Thompson.

Mrs. Alice Needham, widow of James Needham, who was slain by three boy bandits near Baden on October 18, 1919, addressed a communication to the board applying for a mother's pension for her two children. The communication was ordered referred to the County Social Service Commission.
